Course Items

Now is the time to remind all golfers about some course rules that need to be followed.

- 1) Please keep carts away from the greens at all times.
- 2) There are some roped off areas, please keep carts out of these areas on the course.
- 3) When going from 3 green to the back 4 tee box, use the cart paths. Do not cut through the grassy areas behind 3 green. We will rope this if players do not stay off.
- 4) Please use the cart path when going to #14 tee box, don't cut across the grass. You put yourself in danger from players teeing off of #4.
- 5) Do not drive behind the #6 green at any time!!!!
- 6) Please do not cut in front of 9 green to get to 7 tee box.

Follow any and all placed signage on the course.

Suggestion Box

A suggestion box will be placed in the clubhouse. If you have a comment or suggestion to the staff or Board of Directors, feel free to use the suggestion box. The Board will review the notes.

LSCC League Information

The Tuesday Morning Ladies group will have a meeting and carry in lunch on Tuesday April 30th to discuss the league for the season. The meeting will start at 11:00, meal will follow. This is open to all of the ladies of the club. Please note this date.

Friday Morning Senior Men will begin play on May 6th at 9:00. The league will run until September. Cost per player is \$30. A weekly prize fee of \$3 will be collected before tee off. This league uses a modified scoring system, giving points for each birdie, par, etc. Prizes awarded for team and individual scores. You need not be present every Friday. This is open to members 55 and older.

The Wednesday Night Men's team play will start play on May 1st. Sign up is open until April 10th. One player of a team must be a member of LSCC. If a non-member plays, he will pay daily rates each week. Let Bob know if you are getting a team to play. After the sign up period, a schedule and rule sheet will be put out. Cost is \$75 per player, this covers weekly prizes, gross and net skins, tournaments and some food offerings during the year. This is a handicapped, match play format. Play will run into early September.

The Sunday Couples League will start play possibly mid May and run to mid September. There are some skipped Sundays due to holidays and tournaments. This will be determined by the number of teams signed up. This is a handicapped league and will have different scoring formats during the season, depending on the number of teams showing up each Sunday. The cost will be \$40 per couple, with a \$4 weekly prize fee per couple each week. I will need a couple of people to help out with this league. You do not need to be present every week.

I would still like to get a Women's play offering for those ladies working that would want to play after work some evenings. If anyone has any ideas on this, please get with Bob and maybe we could set something up. Thanks.

I plan to have a food offerings during league days and evenings.
