

# LOUTRE SHORE COUNTRY CLUB

**FEBRUARY 2019**

## Clubhouse Hours

While the days of February will be getting longer, daytime temps are still going to be all over the place. If weather is poor, the clubhouse may be closed. If weather is good for playing golf, we will be open.

Normal hours:

**9:00 am to 4:00 pm**

## Cold Weather Play

If frost is present, play will be delayed until the course is deemed ready for play. If ice or snow is covering the ground, the course will most likely be closed. Please call ahead to be sure. Thanks.

## Winter Maintenance

We will be doing cart maintenance again the winter. We plan to start mid February. We will change oil, replace fuel and oil filters, clean air filter and do a general check up. The cost is \$30, give me a call or email if your cart can use this service.

## Membership Cards

I should have the membership cards done by the end of this month. You may pick yours up or leave on file in the clubhouse. The card entitles you to (two) nine hole rounds for guests to play our course.

## GHIN

GHIN handicap accounts will be billed this month.

## February Happy Hours

Happy Hour dates for February are Friday the 8th and Wednesday the 27th..

Time is from 5 -7:00. Stop by!!!

Drink specials and good food!

I will send out a reminder with the menu early that week.

## Course Maintenance

We will spend time this month getting our off season projects completed and prepping the course for the upcoming season.

Spraying of pre-emergent and weed control will be done as weather allows.

The winter weather, mainly heavy snows, have taken a toll on the front covering of the red barn by the driveway. Plans for now are to remove the damaged portion. I may be trying to set up a day to enlist some extra help to speed up the process.

## New Member Referrals

Now is the time to help the club get new members to join. I will be offering, to any member that refers someone new, club credits of **\$30** for Golf and **\$10** for Social Memberships.

There is not a limit on the number you may refer. This is a great way to help the club grow.

## Driving Range

If the grounds become very wet, it may be necessary to close the range. A sign will be posted.
