

LOUTRE SHORE COUNTRY CLUB

JANUARY 2018

Clubhouse Hours

If weather permits play, the clubhouse may be staffed.

(Daytime temps over 45*)

If weather is poor, there may be times when I am out of the office. It is best to call ahead.

Contact info will be posted on clubhouse door or my cell # is 573-308-0302.

Normal Office Hours

10:00-3:00 M-F

Cold weather play

If frost is present, especially on the greens, play will be delayed until the course is deemed ready for play. If the ground is covered with snow or ice, most likely the course will be closed. Most of our rental carts will be housed in the cart shed during the cold weather.

Club Membership Card

Please pick up your new membership card when you stop by the clubhouse. I hope to have them ready by Jan 15th. Your card gives you (2) 9-Hole rounds to bring in guests to play our course.

Winter Maintenance

We will be doing golf cart maintenance in February. We will replace plugs, fuel and oil filters, clean the air filter and grease where possible. Cost is \$30. Let Brian or Bob know to get your name on the list.

Annual Meeting

The Annual Members Meeting was held this past Dec 10th. Attendance was low, business was conducted and three new Board members were elected by acclamation. The new members are:

Sharon Buckner

Mike Dickes

Steve Sebacher

They join Kevin Meyer, Joan Peters, Blake Winkelmann, Mike Koepke, John Schebaum and Ross Henson.

The members that went off this year were:

Brandon Wehmeyer

Sharon Leech

Todd Witthaus

Thank you to these three for their time and guidance.

Course Maintenance

We have a few projects to work on this off season. We will get to those as weather allows.

If you have played recently, you may have noticed that we had to recharge the watering system to water greens. Our area is sitting on the severe drought line and the prospects for moisture look to be slim. We felt it was necessary to get some moisture on the greens before winter weather sets in.

The outdoor furniture will be stored away for the winter and carts will be placed in sheds.
