If poor weather persists, the clubhouse may not be open. It would be best to call ahead.

Cold Weather Play

We still have the chance for frost this time of year. Please stay off course if it is present.

Club Membership Card

Cards are available for pick up or we can hold it for you.

Winter Maintenance

We are doing golf cart maintenance now. We will replace plugs, fuel and oil filters, clean air filters and grease where possible. Cost \$30. Call if interested.

Driving Range

If the grounds become very wet, it may be necessary to close the range. A sign will be posted at the tee area.

Wednesday Mens

If you are interested in having a team for the Wed Night Men's League, the deadline for entering is April 10th. There will be early and late groupings. Call or email Bob if questions.

2018 League Info

Information on the club's league will be posted in the April Newsletter.

Member Referrals

Now is the time of year that we try to get new members with our Pro Rated Membership offering. You can help out and get rewarded with club credit. Get someone to join and you will get a \$20 credit to be used in the clubhouse.

Course Maintenance

Brian has done a lot of brush clearing, removing trees around the course. The place looks great and will help with airflow in areas we would like to better our grass. If you catch Brian on the course, let him know your thoughts.

*We plan to aerify the greens on March 19th. This is a Monday, so mark it down on your calendars.

The water system will be re-charged in the first two weeks of March. I will send a note out when a date is firm.

Spraying will begin very soon. I will send a note out when we start. Fairways will be first and then pre-emergent over the whole course.

Thank You

Thank you goes out to the Wed Night Men for covering the costs of a moisture meter to be used here at the course. Their support is greatly appreciated.

Thank You to Richard Jones for helping out Brian with some backhoe work at the #3 Lake.
